

## THE VIRGIN MARY IN THE KINGDOM

Day 6 (P205)

### **The Sixth Step of the Divine Will in the Queen of Heaven: After her triumph in the Test comes the Possession**

"My mother, I love you; love me too. Increase in my soul the Will of God, and grant me your blessing also, so that I may do all my actions under your maternal gaze."

#### **The Soul to the Queen of Heaven:**

Holy Queen Mother, again I see you await me; stretching out your hands you place me on your lap and squeeze me to your heart to make me feel the life of the Divine Fiat that you possess.

Oh, how refreshing is its warmth; how penetrating its light!

Holy Mother, if you love me so much, plunge the little atom of my soul into the sun of the Divine Will that you conceal within yourself, so that I may say:

"My will is ended, it will no longer have a life of its own; my life shall be the Divine Will."

#### **Lesson of the Queen of Heaven:**

Dearest child, trust your tender mother and listen closely to the lessons I now wish to impart, as they shall serve to make you abhor your own will and yearn for the Divine Fiat to reign in you – the Fiat that lovingly yearns to establish its life in you.

My child, the Divine Will was assured of my fidelity through the test it asked of me.

Although everyone believes that I had no test and that in order for me to be without sin it sufficed that God work the great miracle of conceiving me without Original Sin, oh how wrong they are!

On the contrary, God asked a test of my fidelity that He asked of no one else, and He did so with justice and with the greatest wisdom.

Since He decreed that the Eternal Word should descend into me, not only was it decorous that He not find in me Original Sin, but also that he not find a human will operating in me. It would have been unbecoming for God to descend into a creature in whom the human will reigned.

This is why He wanted a test from me that would last my entire life.

Through the test of my will I was to securely establish within my soul the Kingdom of the Divine Will.

And once this kingdom was securely established in me, God could do within me anything He pleased; He could grant me everything and, I can also say, He could deny me nothing.

I now wish to address what I earlier shared with you; during the course of my lessons I wish to disclose to you the events and the prodigies the Divine Will accomplished in me and that I ponder in my heart. So now pay close attention, my child.

After my triumph in the test, the Divine Fiat took its sixth step in my soul by allowing me to take possession of all God's divine qualities<sup>89</sup> to the fullest possible extent that is imaginable for a creature.

<sup>89</sup>The original Italian states: *"le proprietà divine"*. <sup>89</sup>

I was the possessor of all things – heaven, earth, and even God himself whose very Will I possessed. I possessed God's own divine sanctity, love, beauty, power, wisdom and goodness, and I was constituted the Queen of all things.

I was not a stranger in the house of my Heavenly Father, but I vividly experienced his paternity and the happiness of being his faithful daughter.

I can say that I grew up on God's paternal lap, and I knew no other love or possessed no other knowledge than that which my Creator endowed me with.

Who could possibly describe all that the Divine Will accomplished in me?

It raised me so high and embellished me so much that the very angels remained speechless – they were at a loss to begin to describe what they beheld.

Now, my dearest child, as soon as the Divine Fiat had me take possession of all things, I felt that I was in possession of everything and everyone.

With its power, immensity and all-embracing vision, the Divine Will enclosed all souls within my soul, and I felt a little place in my heart for each and every soul. From the moment I was conceived I carried you in my heart, and – oh, how much I loved you and still love you!  
I love you so much that I became your mother in God's presence.  
My prayers and my sighs were directed toward you and, in a delirium of motherly love, I said:  
"Oh, how I wish to see my child come to possess all things like me."

Now, listen closely to what your tender mother wishes to tell you:  
Do not pay heed to your human will anymore.  
If you do as I say, all things will be in common between you and me.  
You will possess a divine power and all things will convert into divine sanctity, love and beauty.  
Just as the Most High sang to me,  
**"All beautiful, all holy and all pure are you, O Mary",**  
in my ardent love I will say,  
"All beautiful, pure and holy is my child, because my child possesses the Divine Will."

**The soul:**

Queen of Heaven, I greet you as well: "All beautiful, pure and holy is my Heavenly Mother". If you have a place for me in your maternal heart, I entreat you to enclose me in it so that I may be sure to no longer do my own will, but always the Will of God. We will both be happy, you my mother, and me your child.

**Aspiration:**

Today, to honour me, recite three *Gloria's* three times, in thanksgiving to the Most Holy Trinity for having established in me the Kingdom of the Divine Will, and for having made me possessor of all things. And with each *Gloria* you recite, while making the words of the Supreme Being your own, say to me: "All beautiful, pure and holy is my mother."

**Exclamation:**

Queen of Heaven, let me be possessed by God's Divine Will.
